

Gerber Profile **Folding Carton and Corrugated Dieboard Kit**

The Gerber Profile **Folding Carton Dieboard Kit** provides the user with 2 point and 3 point dieboard kerf cutters.

The Gerber Profile **Corrugated Carton Dieboard Kit** provides the user with 3 and 4 point dieboard kerf cutters.

Both kits include additional cutters for cutting registration holes and the dieboard edge. Dieboard alignment pins, Bluebond Dieboard Adhesive and dieboard adhesive rollers are also provided.
